COMMUNITY NURSERY SCHOOL

EXPULSION POLICY

Community Nursery School's mission is centered on the children for whom we care. We seek to design programs that support children's growth and challenge them to learn as unique individuals.

Because our program is based on developing a partnership with each family, it is only on rare occasions that we have to expel a child from our program, either on a short term or permanent basis. We want you to know we will do everything possible to work with the family of the child(ren) in order to prevent this policy from being enforced. The following are reasons we may have to terminate or suspend a child from this school:

IMMEDIATE CAUSES FOR EXPULSION

- The child is at risk of causing serious injury to other children or himself/herself.
- Parent threatens physical or intimidating actions toward staff members.
- Parent exhibits verbal abuse to staff in front of enrolled children.

PARENTAL ACTIONS FOR CHILD'S EXPULSION

- Failure to abide by the school's policies or requirements imposed by licensing or accreditation agencies
- Physical or verbal abuse to staff, children, or anyone else at the school
- Failure to complete required forms including the child's immunization records
- Habitual tardiness when picking up your child
- Failure to pay/habitual lateness in payments

CHILD'S ACTIONS FOR EXPULSION

- A child appears to be in danger to him/herself, other children, employees, or anyone else at the school
- When medical, psychological or social service personnel, working with the school determine that continued enrollment could be harmful or not in best interest of the child
- Uncontrollable tantrums/angry outbursts, biting, or ongoing physical or verbal abuse to staff or other children
- Any situation whereby accommodations required for a child's success and participation place an undue burden on school resources and finances
- Failure of child to adjust after a reasonable amount of time

PROACTIVE ACTIONS THAT WILL BE TAKEN IN ORDER TO PREVENT EXPULSION

- Staff will try to redirect child from negative behavior
- Staff will reassess classroom environment, appropriateness of activities, supervision
- Staff will always use positive methods and language while disciplining children
- Staff will praise appropriate behaviors
- Staff will consistently apply consequences for rules
- Child will be given verbal warnings
- A brief time-out will be given so child can regain control
- Child may lose special privileges
- Child's disruptive behavior will be documented and maintained in confidentiality
- Parent/guardian will be notified verbally
- Parent/guardian will be given written copies of the disruptive behaviors that might lead to expulsion
The director, classroom staff and parent/guardian will have a conference(s) to discuss how to promote positive behaviors The parent will be given literature or other resources regarding methods of improving behavior
- Recommendation of evaluation by professional consultation on premises may be made

- Recommendation of evaluation by local school district child study team may be made

SCHEDULE OF EXPULSION

- If after the remedial actions above have not worked, the child's parent/guardian will be advised verbally and in writing about the child's or parent's behavior warranting an expulsion. An expulsion action is meant to be a period of time so that the parent/guardian may work on the child's behavior or come to an agreement with the school
- The parent/guardian will be informed regarding the length of the expulsion period
- The parent/guardian will be informed about the expected behavioral changes required in order for the child or parent to return to the school
- The parent/guardian will be given a specific expulsion date that allows the parent an adequate amount of time to seek alternate childcare (approximately one to two weeks' notice depending on risk to other children's welfare or safety)
- Failure of the child/parent to satisfy the terms of the plan may result in permanent expulsion from the school

A CHILD WILL NOT BE EXPELLED

- If a child's parent(s):
 - Made a complaint to the Office of Licensing regarding the school's alleged violations of the licensing requirements
 - Reported abuse or neglect occurring at the school
 - Questioned the school regarding policies and procedures
- Without giving the parent an adequate amount of time to make other child care arrangements
